

JEFFREY SCOTT HAMMEL

ONLINE EXECUTIVE BIOGRAPHY

Jeffrey S. Hammel, Vice President of North Metal & Chemical Co., was born May 31, 1974 in Kittery, Maine to Michael and Helen Fay Hammel. Graduating from the University of West Virginia in 1997 with a BS in Accounting, Jeff started his career with North Metal and Chemical Company in 1997 as Plant Manager. During his five year tenure in this position, Jeff revolutionized the company's production process making it easier, safer and more cost effective, he established and implemented an ISO equivalent quality procedure program, and he developed new lab procedures and protocols for assaying the company's many products.

In 2002, Jeff was promoted to General Manager of North Metal & Chemical Co. and later to Vice President which is the position he currently holds. Next in-line to take over the company as President upon the eventual retirement of Fred C. Fay, II, Jeff is poised to lead the family owned business to exponential growth.

Married to Stacy Lynn Howell and the proud father of two boys and one girl, Jeff is very active in community affairs and the Rotary Club of York.
